# DECLARATION OF FRANCIS BRADY IN SUPPORT OF THE MOTION OF THE BX INVESTOR GROUP TO BE APPOINTED LEAD PLAINTIFF AND TO APPROVE PROPOSED LEAD PLAINTIFF'S CHOICE OF COUNSEL

- I, Francis Brady, declare as follows:
- 1. I submit this declaration in support of the Motion of BX Investor Group to be Appointed Lead Plaintiff and to Approve Proposed Lead Plaintiffs' Choice of Counsel pursuant to the Private Securities Litigation Reform Act of 1995.
- 2. I have been employed as a construction worker for the past approximately 20 years. I currently reside in New York City. I have been investing in the stock market for approximately 8 years and have managed my own portfolio during this period.
- 3. On June 12, 2008, I participated in a conference call with Max Poulter to discuss the formation of our two-person group, whether we could work together to manage this litigation and oversee counsel. Our conference call lasted for approximately 30 minutes, and during the call we discussed our joint interest in prosecuting the action; our interaction with each other and a decision making methodology as co-lead plaintiffs; that we would regularly communicate with each other and remain informed as to the progress of the litigation and provide input to our chosen counsel. As a result of our call, I believe that we can effectively and efficiently work together to manage this litigation and act collectively as the Lead Plaintiff. We have agreed to select Brower Piven, A Professional Corporation ("Brower Piven") to be the lead counsel, if our group is appointed as lead plaintiff.
- 4. I have selected my counsel, Brower Piven, based on its experience in securities litigation and other class action litigation and resources. I am familiar with the background and experience of Brower Piven and I am satisfied that the attorneys working on this matter are experienced in the prosecution of class action securities cases and will vigorously and diligently

prosecute this action at the direction of BX Investor Group. I am further satisfied that these attorneys will keep me advised of the status of the action in order to assure that I may fulfill my duties as Lead Plaintiff.

- 5. As part of our conference call on June 12, 2008, we discussed our duties and responsibilities as lead plaintiffs. As a result of the conference call and communications with counsel, I understand that to fulfill my fiduciary duties and obligations as Lead Plaintiff, I must fairly and adequately represent the Class by vigorously prosecuting this case on behalf of the Class.
- 6. I will fulfill what I understand to be my responsibilities as Lead Plaintiff to the best of my ability. If BX Investor Group is selected as Lead Plaintiff, I intend to oversee my counsel and monitor the progress of the litigation with the other member of the BX Investor Group. In discharging those duties, I intend, among other things, to review pleadings and motions papers received from counsel; obtain periodic status reports on the progress of the litigation on developments in the action; produce documents, answer interrogatories, and/or sit for a deposition, if necessary; and have input into litigation decisions and strategies, and involvement in the final approval of any major litigation decisions, including whether or not to settle the litigation and, if so, for how much.
- 7. During our conference call, we discussed having regular communication in order to be informed of the status and progress of the litigation and to consider litigation strategies recommended by our counsel. I understand that litigation of this nature has active and inactive periods, and I will make myself available as needed to fulfill my role as Lead Plaintiff. We agreed to have at least quarterly conference calls to discuss the case and to have additional calls as warranted by the developments in the action. Also, as part of our call we discussed how we

would make decisions and, based on that discussion, I do not foresee a circumstance where we could not reach consensus for a solution to any issue that might arise.

8. We have also agreed that Max Poulter, the BX Investor Gro ip member who has suffered the largest loss, will act as an "emergency" contact in what I understand to be the very unlikely event that a decision needs to made on an expedited basis and we cannot convene on short notice.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Francis Brady

# Coughlin Stoia Geller Rudman & Robbins LLP Files Class Action Suit against The Blackstone Group L.P.

Tuesday April 15, 4:55 pm ET

Case 1:08-cv-03838-HB

If you wish to serve as lead plaintiff, you must move the Court no later than 60 days from today. If you wish to discuss this action or have any questions concerning this notice or your rights or interests, please contact plaintiff's counsel, Samuel H. Rudman or David A. Rosenfeld of Coughlin Stoia at 800/449-4900 or 619/231-1058, or via e-mail at <a href="mailto:djr@csgrr.com">djr@csgrr.com</a>. If you are a member of this class, you can view a copy of the complaint as filed or join this class action online at <a href="http://www.csgrr.com/cases/blackstonegroup/">http://www.csgrr.com/cases/blackstonegroup/</a>. Any member of the purported class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member.

The complaint charges Blackstone and certain of its officers and directors with violations of the Securities Act. Blackstone, through its subsidiaries, provides alternative asset management and financial advisory services worldwide.

According to the complaint, on or about June 21, 2007, Blackstone filed with the SEC a Form S-1/A Registration Statement (the "Registration Statement"), for the IPO. On or about June 25, 2007, the Prospectus (the "Prospectus") with respect to the IPO, which forms part of the Registration Statement, became effective and, including the exercise of the over-allotment, more than 133 million shares of Blackstone's common stock were sold to the public at \$31 per share, thereby raising more than \$4 billion.

The complaint alleges that the Registration Statement failed to disclose that certain of the Company's portfolio companies were not performing well and were of declining value and, as a result, Blackstone's equity investment was impaired and the Company would not generate anticipated performance fees on those investments or would have fees "clawed-back" by limited partners in its funds.

On March 10, 2008, Blackstone issued a press release announcing its financial results for the full year of 2007 and the fourth quarter of 2007, the periods ending December 31, 2007. Among other disclosures, Blackstone announced that it was writing down its investment in Financial Guaranty Insurance Company by \$122 million. As of April 15, 2008, Blackstone common stock traded in a range of \$17-\$17.50 per share, approximately 45% below the IPO price of \$31.00 per share.

Plaintiff seeks to recover damages of all those who purchased the common stock of Blackstone pursuant and/or traceable to the Company's IPO on or about June 25, 2007. The plaintiff is represented by Coughlin Stoia, which has expertise in prosecuting investor class actions and extensive experience in actions involving financial fraud.
